Our Premium Domain Name Service offers for sale domain names that may be registered to third parties (also known as aftermarket or secondary market domain names) in a variety of tlds (such as .com, .net, .org, .biz and .info tld's). All Premium Domain Name registrations are offered on a "first come, first served" basis. After you complete the Premium Domain Name registration application, including payment of the purchase price, we will initiate the transfer of the Premium Domain Name to your account. Any subsequent renewals of the Premium Domain Name will be charged at the then-current renewal fee.

You acknowledge and agree that once you have completed your Premium Domain Name registration application, you have entered into a valid, binding and enforceable contract to pay the designated purchase price for the Premium Domain Name. All Premium Domain Name sales and registrations are final and non-refundable. When selling Premium Domain Names registered to third parties, we make no representations regarding the accuracy or legality of domain names advertised, the accuracy or legality of any domain name listing, or the right and the ability of the third party seller to transfer the Premium Domain Name or complete the transaction.

In addition, you acknowledge and agree that we reserve the right to reject or cancel your Premium Domain Name registration for any reason including, but not limited to, any pricing errors. In the event your Premium Domain Name registration is rejected or cancelled, for any reason, we will refund in full the amount of the purchase price for the Premium Domain Name as your sole remedy hereunder.

Once the Premium Domain Name is transferred into your account, you agree that Premium Domain Name may not be transferred away from Register.com, Network Solutions or other of their registrar subsidiaries or affiliates to another registrar during the first sixty (60) days following the transfer, during which time the Premium Domain Name may be placed on transfer lock.

A Referred User acknowledges that all Content is owned by Referred User or that Referred User has a legal right to such Content and that such Content and the use thereof does not violate the Register.com Acceptable Use Policy in any way. With the exception of Referred User's ownership interest as identified in the previous two (2) sentences, ownership interest to the eWorks! Website, including, but not limited to the domain name, HTML coding, scripting, copyrights, and all other intellectual property rights, shall remain exclusively with Register.com. those images in the manner in which it is provided to Referred User by Register.com (i.e. embedded in the eWorks! Website) and no other use of the images is permitted whatsoever. Moreover, upon assignment Register.com does not warrant the portability or functionality of the eWorks! Website in any way to or on any platform, hosting or otherwise, that is not provided by Register.com. Additionally, if the Referred User desires to purchase the domain name associated with the eWorks! Website, Referred User agrees to pay Register.com an additional fee of Ninety Dollars (\$90.00).

Partner agrees to enforce the applicable provisions of Register.com's Services Agreement, located at <http://www.register.com/policy/servicesagreement.rcmx>. In the event that

Partner itself orders any Service on behalf of Partner End Users, Partner agrees that it shall cause such Partner End Users to be bound by Register.com's Services Agreement or shall itself execute the Services Agreement as agent for Partner End Users as disclosed principals. Partner assumes all responsibility and liability for any actions it takes as agent for the Partner End Users, including without limitation through Partner's use of Account Manager (as defined herein).
